**YO WHIRLING TREASURE 434**

WHITE WITH RED ON HEAD, NECK, LEGS AND BODY

DOB 04-10-2000 Base: Tip-to-Tip:  
 PH # Date: Total Horn:  
 Reg # 240006

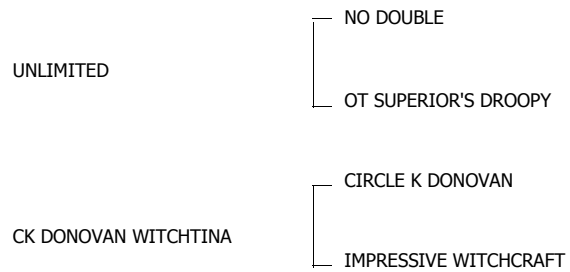

CONSIGNOR: Falls Creek Longhorns EXPOSED TO: FC Moonshine CALF AT SIDE: No COMMENTS: Can't say enough about this great cow. She has great horn, pedigree and conformation but the most important trait she has is great production. She produced our best heifers in '08 and '09, both by our Phenomenon son, Watson 253 Phenomenal. We have a super nice embryo heifer by Phenomenon. We also have pregnancies due by Temper and Phenomenon. We have great offspring out of her is the only reason we would even consider letting her go. She is bred to our FA Field Marshal son, FC Moonshine.

**PC IMPRESSIVA**

BLACK

DOB 09-15-2003 Base: Tip-to-Tip:  
 PH # Date: Total Horn:  
 Reg # 238016

CONSIGNOR: Falls Creek Longhorns EXPOSED TO: FC Moonshine CALF AT SIDE: bull calf by FC Moonshine COMMENTS: A solid black daughter of the great straight Butler bull VJ Tommie aka Unlimited. Impressiva is a great milker and a solid all-around cow. She has a great pedigree, conformation and horn. We think her bull calf at side by our FA Field Marshal son as the makings of a herd sire prospect.

**JACKIE LYNN 2808**

 COMMENTS: Jackie Lynn 2808 is a high-horned Butler cow whose awesome coloring and beautiful waxy horns make her a stand out in our herd. She is an outstanding mama, gentle and easy to be around. She is bred to our straight Butler herd sire Cadillac Chex (JV Tommie X Little Ace Lotsa Roan).
